When 2-step verification is enabled for your Firstbeat Sports account you need to verify a login from each browser with your email address. The verification dialog below will be shown after you have entered your username and password at the Sports Cloud login page. After the browser is verified once you can login normally with your username and password. Each verification is valid for 30 days.

Verify this browser

It looks like this is the first time you’ve used your Firstbeat Sports Account in this browser. For your protection, we need to verify that this computer is yours. We’ve sent you an email to the address attached to this account.

Enter the code from the email to proceed.
